

## Group 3 Communications Log

Members of group 3 get back to each other within a reasonable amount of time and try to answer any questions another group member may have.

Date	Comment
Jan. 25	Created discord server so everyone can easily discuss project
Feb. 5	Ryan had not been active so he did not upload to github in time
March 3	We decided that Asal will do the next iteration plan, and discussed the class diagram
March 5	We discussed who's doing what for iteration 3
